Judge William H. Webster Director Central Intelligence Agency Washington, D.C. 20505

Dear Sir:

My name is David Bonnesar. I am the President of a newly formed Company in Los Angeles, California - Pacific Technologies.

This Company will be an innovative leader in the design, development and implementation of computer systems of the highest sophistication.

One of the programs we are developing will provide airborne weapon systems a quantum leap forward in strategic and technical capabilities. There is nothing comparable in the United States.

Brochures are enclosed concerning this program. I am requesting the opportunity to make a presentation to the appropriate officials.

Respectfully,

David Bonnesar

President
